Operating Environment

All the packages except TerraSlave and TerraStereo are running in Windows (7,8 and 10) and on top of the CAD software of Bentley Systems. For further information, please look at https://www.terrasolid.com/ssl/download_software.php.

Volume Discounts:

First bundle/ license	0 %
Second bundle/ license	-20 %
Third bundle/ license	-30 %
Fourth bundle/ license	-40 %
Fifth or more bundles/ licenses	-50 %

'Volume discounts' (below) will be applied only, if you purchase several bundles/ licenses at same day.
Licenses, which are in maintenance, will be taken into account as well.

Annual Software Maintenance Fee

The software maintenance is mandatory for the first period. Total annual maintenance fee depends on the number of copies of the packages. It will be calculated separately for each package as follows:

Annual Maintenance Fee = 15% * Valid List Price * Number of Licenses of Package – User's Volume Discount

The User's Volume Discount will be calculated separately for each package. The discount depends on the number of licenses as follows:

First license:	0 %	**Example:** 3 pcs. TerraScan + 1 pc. TerraModeler	
Second license:	-5%	***TerraScan:***	
Third license:	-10%	First license	15% 5100 – 0 % = 765 €
Fourth license:	-15%	Second license	15% 5100 – 5% = 727 €
.		Third license	15% 5100 –10% = 688 €
Eleventh or more:	-50%		
		TerraModeler:	
		First license	15% 3400 – 0 % = 510 €
		The total fee of all licenses:	***2.690 €***
			*********

For further information about the prices and license rent, please ask a quote from Terrasolid.

Academic Users like universities, high schools or such as, which use the packages only to education and research, pay only for the annual maintenance fee of one license of each application. packages. Please, contact Terrasolid.
